Dear Parent/Guardian and future Choralier:

Your child is bringing this letter home because he/she has expressed an interest in music and becoming a member of the Rapid City Children's Chorus.

The Rapid City Children's Chorus is excited to announce it's fifth year of the Choraliers. The Choraliers is a **non-auditioned level** for any second or third grade singer. The Choraliers will meet for 12 weeks during the fall term and 12 weeks during the spring term. The goal of the Choralier program is to provide musical enrichment for the participants to build upon their music education through vocal exploration, pitch matching, singing, and movement. The Choraliers will meet on Mondays at the Performing Arts Center of Rapid City for 1 hour each session from 4:15-5:15 PM. In addition to 12 hours of musical instruction, each participant will receive a t-shirt. At the end of the 12 week term, each participant will be invited to audition for the Cadet program that rehearses twice a week. The registration fee for this program is \$80.
